If you are pleased with MSGCU's products and services, why not refer a friend, relative, or coworker to help them start setting it right?

Referrals can really add up...

For each person that you refer who becomes a member, you'll receive \$5...and they will receive \$5.

Plus, when you refer someone who takes out an auto or RV loan* with us, you'll earn \$25...and they will also earn \$25.

And \$100 is yours—and \$100 is theirs—if your referral closes on a mortgage.

Simply complete the form below, and pass it on to someone you know. The referred person should present this form at account opening or loan closing.
