

Fun Savings Scoop

Give back, win big!

Our employees are having so much fun giving back to great organizations in our community. What does "giving back" mean? It means donating money or volunteering time to a great cause. Earlier this year we donated money to the police dogs of Macomb County and even got to meet them!

How would you give back to your community?

It doesn't take much to make a big difference! Draw a picture or write a paragraph sharing how you could give back! Would you volunteer time to play with animals in a shelter? Raise money to improve a park?

Tell us and you could win!

Send us your entry and you could win a \$75 deposit into your account! Plus, we'll donate another \$75 to a local charity. Drop off your entry at any branch, ask a parent to email it to marketing@msgcu.org, or mail to:

MSGCU Marketing Dept.
4555 Investment Drive
Troy, MI 48098

Hurry! The deadline to submit your entry is Wednesday, May 31, 2017.

Celebrate Earth Day Every Day!

Earth Day is April 22! Here are some great ways **YOU** can help take care of the planet:

Save energy by turning off the light when you leave your room.

Pick up litter in your neighborhood.

Use both sides of a piece of paper when drawing, coloring or writing.

Recycle whatever can be recycled: aluminum cans, glass, paper, or plastic bags.

Turn off the water while you are brushing your teeth.

Plant a tree.

Thank you for helping keep our planet clean!

Contest limited to members ages 12 and under. No substitution for prizes. Winner must be a Save-a-Lot Squad member of MSGCU at the time of selection. No purchase necessary. Only one entry per member. The winner will be contacted by phone during the week of June 5, 2017. Grow your savings account!

Money might not grow on trees, but it can grow in your Save-a-Lot Squad account! Here are some easy ways to save.

- Don't forget that every penny counts! All of those small coins can add up to big savings.
- Tell a parent or guardian that you want to save money so they can help you when you are tempted to spend.
- Recycle! Ask your family for their aluminum cans and recycle them for cash. You get ten cents for every can. Ten cans equals one dollar.
- Use your library. You can borrow books and movies instead of spending money on them.

There are lots of ways to save. Talk to your parents to see if you can think of some more!
