Save to Win is a special savings account at your credit union that helps build savings while also giving you chances to win a grand prize of \$100,000, plus monthly cash prizes! Every \$25 deposit into this certificate helps build your savings and gets you another chance to win – up to 10 chances every month. Plus, all the money you deposit into the Save to Win account is still yours, plus interest!

The real prize is the savings you will build with regular deposits each month. But to sweeten the pot, there is one annual grand prize of \$100,000 and monthly cash prizes totaling \$4,000 per month.

Save to Win runs January through December. Members can open a Save to Win account at any time, but the sooner you open the account, the more time you have to earn entries for the grand prize!

To participate, you must be at least 18 years of age, a legal resident of the State of Michigan and a member in good standing with a traditional share account at a participating credit union.

IT'S A WIN-WIN SITUATION!

Sure, you might win some of the monthly prizes and maybe even the grand prize, but, with regular deposits into your Save to Win account all year, you are guaranteed to have more money saved than when you started.

Contact your credit union today to learn more about Save to Win.
