## MSGCU Achieve Student Debit Account COMING SOON!

When you're just starting out, you need a card that keeps up with you. The MSGCU Achieve Student Debit Account, coming soon, is full of everything you need to manage your money, without having to worry about it too much. In fact, you can build your savings just by spending with our new "Roll Up the Change" program.

**Here's how it works.** Every time you use your new debit card, the purchase total is rounded up to the nearest dollar and that extra money is saved. Let's say you buy a morning coffee for \$4.38 and later in the day, lunch for \$7.67. At the end of each day, we'll transfer the rounded up amounts – in this case, 62 cents and 33 cents – to your savings account.

*"It is never too early to build a strong savings habit!"*  
-Pete Gates, MSGCU President/CEO

**Start building savings automatically.** If you're aged 16 to 23, stay tuned to [msgcu.org](http://msgcu.org) to learn when you can sign up for the Achieve Student Debit Account. This savings-savvy account also features:

- **Mobile ready.** Manage your money on the go with the MSGCU Mobile App.
- **Spending limit.** With a daily transaction and ATM withdrawal limit, overspending won't be a concern. This also helps guard against possible fraudulent activity targeting teens and young adults.
- **30,000 fee-free ATMs.** It's your cash, so it should be accessible when you're on the move.
- **Educational support.** MSGCU provides financial knowledge that pays off.

Be on the look out for more information at [msgcu.org](http://msgcu.org).
