IT'S HERE! MSGCU Achieve Student Debit Account

Introducing your new best financial friend: the MSGCU Achieve Student Debit Account. This saving-savvy account is exclusively for 16- to 23-year-olds and offers easy ways to manage (and grow!) your money.

A card designed for your savings needs.

The Achieve Student Debit Account is the ultimate financial multitasker with its "Roll Up The Change" program that lets you build savings automatically. Every time you use your new debit card, the purchase total is rounded up to the nearest dollar and that extra money is saved. Here's how it works:

PURCHASES FOR ONE DAY

Breakfast Sandwich \$4.49

Tacos for Lunch \$6.39

New T-shirt \$11.03

The rounded-up amount is automatically added to your savings account at the end of the day.

$\$0.51 + \$0.61 + \$0.97 =$

\$2.09 added to savings today!

Do this for a few years and you can easily see how your savings can effortlessly grow!

It's a great place to start.

This new student debit account — like all things at MSGCU — is in your best interest. Beyond the automatic savings feature, we've also designed the card with spending safeguards and access to nearly 30,000 fee-free ATMs nationwide. Plus, with our mobile banking app, you'll always be connected to your cash.

Let this summer be one of discovery.

Closed, delayed, canceled – these are the words we've all heard too many times this summer. It's true COVID-19 changed our plans. The good news is, you can emerge from this time with new discoveries about yourself and with new passions in life. Try these:

Help someone. It's a great feeling to be of service. You could send encouraging cards to residents in assisted-living communities, clean up around your neighborhood, or reach out to someone you know is struggling.

Move more. Physical activity makes you happier. You know what to do ... grab your bike, ball and glove, or just your tennis shoes and get outside to enjoy the fresh air and sun.

Create more. Making art is healing and fun. Try photography, writing a song, or coloring with your younger siblings.

Be mindful. Journal your feelings, meditate, pray, or talk it out. It's a good idea to regularly check in with yourself.

Lean in. Difficult times don't last forever. We'll get through this together.

"Challenges make you discover things about yourself that you never really knew." – Cicely Tyson
