## Make it a Michigan WINTER TO REMEMBER!

One of the best things about living in Michigan is its four seasons of fun. Now serving: winter! Time to bundle up and roll with these unique ideas:

**Fat Tire Bike:** Try the Waterloo Recreation Area in Chelsea for eight miles of groomed trails.

**City Skate:** Take to the ice rink at Campus Martius in the heart of Detroit.

**Luge:** Visit the Muskegon Winter Sports Complex to experience a real luge track.

**Mush:** Dog sled at the Double JJ Resort in Rothbury.

Building a snowman counts too! As does skiing, tubing, snowmobiling and sledding. Just be sure to get out there and enjoy the season of snow.

## Michigan teens being targeted for fraud – be aware!

Students at local high schools are being targeted for a new type of financial fraud called **card cracking**. It starts with a fraudster on campus or an after-school event promising easy money. The fraudster will entice you to share your debit card, PIN and online banking credentials.

**Don't get duped!** This thief has plans to deposit bad checks (often by mobile deposit or by ATM) and then quickly withdraw the money. They'll tell you to report the activity as "unauthorized" to get reimbursed by your financial institution once the checks bounce (this won't work). The thief walks away with the withdrawn cash and you may be offered a cut of the profits. At this point you're an accomplice and could be charged with a crime. **Be aware and let your friends know that card cracking is illegal.**

## FREE money lessons!

Learn about managing your finances in the real world. After this session, qualified teens will be able to open a checking account and apply for a low-interest, low-limit credit card with parental consent.
